

## Crossfield Elks assemble another successful Demolition Derby

The Crossfield Elks once again brought the masses out to their annual Demolition Derby held on August 23.

Hundreds gathered at the Crossfield Rodeo Grounds for the adrenaline-inducing event that saw participants vying for the last rig left running.

Throughout the day, spectators enjoyed food trucks, cold drinks, revving engines, blown tires, and smash ups. In doing so they supported the Crossfield Elks who uses the entry fees to fund local causes in the way of scholarships and grants.

## Crossfield youth meets with mayor to discuss off-season arena use

Recently, Mayor Harris had the opportunity to meet with one of Crossfield's young residents. On the agenda were ideas this forward-thinking youth had to improve usability of the Pete Knight Arena, including activities such as roller skating and roller hockey.

Dominic came prepared with creative suggestions and objectives for his meeting with the mayor. We'd like to thank him for caring about the community and sharing these ideas with a council member!

The Town values input from residents of all ages and it's especially inspiring to hear the perspectives of our youth.

If you have suggestions or ideas, head to our website at [www.crossfieldalberta.com/p/town-council](http://www.crossfieldalberta.com/p/town-council) to get in touch with your councillors.
