

CROSSFIELD RECEIVES MORE THAN \$3.7 MILLION IN PROVINCIAL FUNDING

Mayor Kim Harris along with members of Town Council were joined by the Honourable Tara Sawyer, Minister of Agriculture and Irrigation, on August 6, to announce that the Government of Alberta is providing more than \$3.7 million in grant funding to support two significant infrastructure projects in our community.

The funding includes:

- \$3,393,487.50 for the Wastewater Lagoon Treatment Expansion.
- \$328,725 for the Western Drive Culvert Replacement.

The wastewater lagoon project will help increase capacity, improve system reliability and support Crossfield's future growth. The Western Drive culvert replacement will improve the safety and reliability of an important transportation connection.

"This is tremendous news for Crossfield and a significant investment in our community's future," said Mayor Kim Harris. "We appreciate the Government of Alberta's

(Left to right) Councillor Dawn Nielsen, Councillor Mike Knight, Minister Tara Sawyer, Councillor Luke Brennan, Mayor Kim Harris

support in helping us move these important projects forward." The Town will share more information as these projects continue to progress.

Important Infrastructure Updates Underway on Laut Avenue

Since the end of June, Laut Avenue has been undergoing significant infrastructure upgrades to the Town's water main and sanitary sewer systems.

Laut Avenue is a critical utility corridor for the Town of Crossfield, carrying drinking water from the potable water reservoir and conveying the majority of the Town's wastewater to the wastewater treatment lagoons. The project will replace aging infrastructure and increase pipe capacity, helping to ensure reliable utility services for current residents while also supporting future growth in the community.

In addition to the water and sanitary sewer improvements, the project includes upgrades to drainage at the bulk water station and improvements to the RV dump station islands. These improvements will enhance the functionality, reliability and safety of these important community services.

Construction is expected to continue throughout September, with the majority of the infrastructure work anticipated to be completed this year.

The Town appreciates residents' and businesses patience and understanding while this important work is underway. These upgrades represent a significant investment in Crossfield's infrastructure and will help support a reliable, sustainable utility network for years to come.

TIPP

Tax Installment Payment Plan

The convenient way to pay your property taxes!

The program runs January to December, but property owners may sign up at any time
Sign up information is below.

The Tax Installment Payment Plan divides your annual property taxes into monthly sums that are automatically withdrawn from your bank account. There are no fees or interest charged when enrolling in the TIPP program.

How TIPP Works:

- Payments will be withdrawn from your bank account on the first day of the month. If the first day of the month is not a regular business day, the payment will be withdrawn on the following business day.
- The plan runs from January to December.
- Payments are recalculated in January and July of each year.
- The first six (6) payments are based on the previous year's taxes levied. The payment amount for the last six (6) months of the year will change due to an increase or decrease to the annual levy.
- Participants will be notified of the new installment amount in the annual taxation notice which is sent in May every year.
- The Town does not charge for this service, however, normal bank service fees may apply.

ARENA READY FOR ANOTHER BUSY WINTER

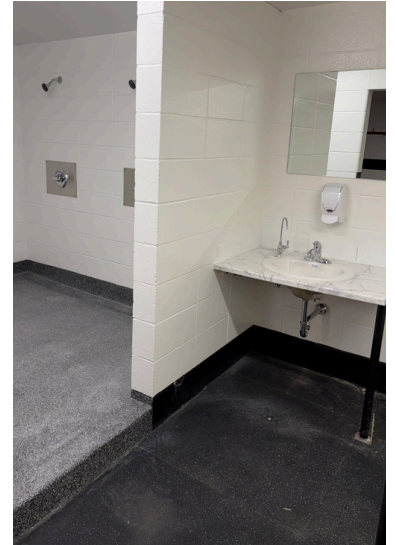

Over the summer, the arena has received a little TLC to get ready for another busy winter season. While it may still look much the same at first glance, take a closer look and you'll notice fresh paint throughout the building and several other improvements.

Upstairs, a much-needed update included removing the eye-catching carpet wall. The change rooms also received fresh paint, along with full epoxy coating and painting, new plumbing, fixtures, vanities, lights, sinks, urinals, mirrors, and new stall doors will be arriving soon.

One of the key new features is water bottle filling taps in most change rooms, making it easier for skaters and families to stay hydrated while enjoying the arena.

With the majority of the updates and renovations now complete and the ice in, the arena is ready to welcome back all the families, skaters and community members who call it home throughout the winter.

Pumpkin Hunt 101

WHO IS THE EVENT FOR?

Children and youth ages 0–18 are invited to participate. There are only 350 spots available and advanced registration is required.

IN-PERSON REGISTRATION

Wed., Sept. 30, 2026 - Town of Crossfield Office

Doors open at 6:00 p.m.

Cost: \$5 per child — CASH ONLY

Registration is in person only and 350 spots available

WHAT YOU NEED TO KNOW BEFORE REGISTERING

- Children and youth ages 0–18 are eligible to register.
- A maximum of 6 children may be registered by one person.
- Only children/youth who will be hunting for a pumpkin need to be registered. Parents, guardians and other family members attending the event do not require registration.
- You must provide the first and last name and age of each child being registered. Names and ages need to be accurate, as they will be used to check participants in at the event.
- A phone number is required for each registered child if it is different from the phone number of the person completing the registration.

WHAT TO DO ON PUMPKIN HUNT NIGHT (IF REGISTERED)

Arrive at Veteran's Peace Park on October 21 between 4 p.m. and 7:30 p.m. (costumes optional).

Your first stop must be the Check-In Table where each registered child will be given the number of their **assigned pumpkin**. They will then head into the park to hunt for the pumpkin displaying their assigned number.

Please note: If you are unable to find your pumpkin, head back to the Check-In Table and let a staff member know.

PLEASE ONLY TAKE YOUR ASSIGNED PUMPKIN!

You **MUST** only take the pumpkin with the number that matches the number provided to you at check-in. Every pumpkin is assigned to a specific registered child. If you take a pumpkin with a different number, another child will not be able to successfully find their pumpkin.

Help us make sure all 350 pumpkin hunters get to experience the excitement of finding their own pumpkin!

BYLAW BRIEF

Back to School: Keeping Crossfield Kids Safe

With the next school year beginning and summer coming to an end, school zones will see a surge in morning and afternoon traffic. With more kids walking and biking, a little extra care behind the wheel goes a long way toward keeping our community safe.

School zone speed limits are strictly enforced to help keep students, pedestrians and drivers safe. Please slow down, follow posted speed limits and stay alert.

When dropping or picking up kids, please ensure you are not stopping or parking in the no parking zones in front of Crossfield Elementary School and WG Murdoch School. Ensure you are not stopping or parking in the handicap zone without a handicap placard or stopping or parking in the fire lane.

Seasonal RV and Street Parking

As summer trips wind down, please ensure your trailers and RVs are not being stored on the street for the fall and winter season. Arrange a storage unit or park them in a private driveway.

Peace Officer: Traffic

We have seen an increase in vehicles with expired registration and insurance. Please take the time to check your vehicles documents before you head out on the road.

There has also been an increase in vehicles not coming to a complete stop at marked stop signs. This is a safety concern. Please ensure your vehicle comes to a complete stop before proceeding.

Animal Control and Responsible Pet Ownership

With the end of the year on the horizon, please ensure your dogs are licensed with the town. They must be renewed yearly. Cats do not have to be licensed.

Dogs must always be on a leash when outside of your property and under control. Dog waste must also be picked up immediately.

There is one designated off leash park in Crossfield near the golf course.

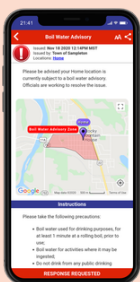

If you have a bylaw concern please email peaceofficer@crossfieldalberta.com

Reminder: Tree and Shrub Trimming

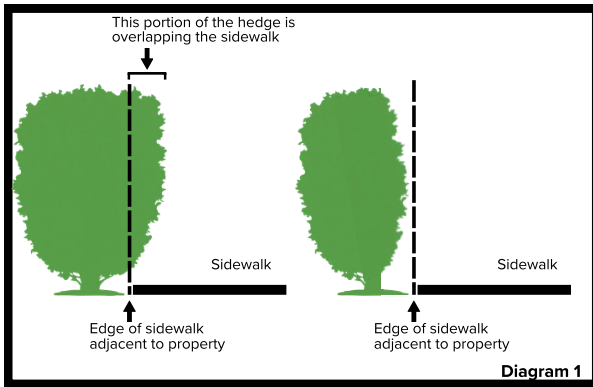

Municipal Enforcement wants to remind residents about the importance of the Community Standards Bylaw in relation to trimming trees, shrubs and bushes on your property.

When we maintain our overgrown vegetation, it creates a tidy and safe community.

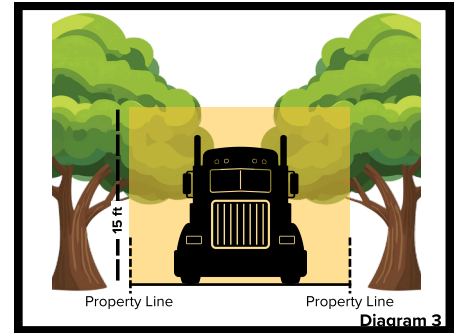

Please Note:

Section 3.0 d) ensure that branches, roots, stems or trunks of trees or shrubs shall not in any way interfere with or endanger traffic control devices, lines, poles, conduits, pipes, sewers serving or owned by the Town of Crossfield.

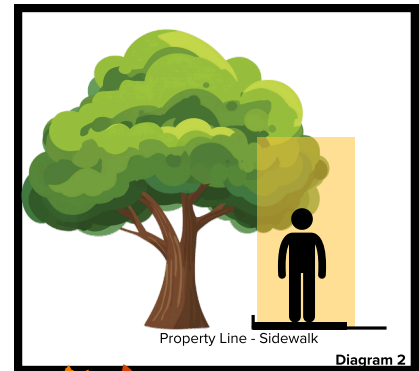

3.0 e) ensure that trees and shrubs shall not interfere with sidewalks, streets and alleyways.

3.0 e) (i) trees whose branches overhang a road, lane, or alley shall be pruned to a height of 4.57 meters (15 feet) over any roadway, shall not encroach over the property line so as to allow unobstructed flow of traffic.

3.0 e) (ii) trees whose branches overhang a sidewalk shall be pruned to a height of 2.14 meters (7 feet) over any sidewalk so as not to encroach onto or over the sidewalk or obstruct or prevent flow of pedestrians.

Services

Click the Services link for a full list.

Are you facing challenges and are looking for support to get connected to programs and services?

Our Information and Referral Program can help. This Program can be accessed in-person by appointment at the Airdrie Office during business hours.

Phone service is available by calling toll free to 1-866-945-3905.

We provide outreach services in Beiseker, Crossfield and Irricana. Support Services will be partnering with various community groups in Crossfield with the goal of increasing in-person services to you.

Support Services staff provide information, supported referrals, and advocacy to help community members connect to services and programs within Community Links, within your community, or from Government. The program is designed to empower community members to identify their specific needs and build knowledge and problem-solving skills to address challenges now and in the future.

In partnership with the Community Volunteer Income Tax Program, community members with a modest income and simple tax situation can have their income tax completed at no cost.
