Telus PureFibre installation begins in Crossfield

Construction is underway to bring a new option for reliable internet to Crossfield residents.

Telus PureFibre is being installed throughout Crossfield and will provide customers access to TV and high speed internet service.

Currently equipment and crews can be seen in the neighbourhood of Harrison and will continue throughout the summer until the infrastructure has been installed in each of the residential, commercial and industrial areas of Crossfield. The exception to the installation are the communities of Iron Landing and Vista Crossing who saw fibre optic networking installed in their development.

Construction is projected to wrap up in the fall.

Crossfield residents take home hardware at competition

Two residents from Crossfield came up big in the Paramount Performance Alberta Open fitness competition in Red Deer held on May 31.

In her first competition, Katrina Mooz (left) secured 1 first place trophy as well as 2 second place trophies in Wellness Open C Division, True Novice and Novice, respectively.

Cheryl Koch (right) finished 1st place in the Physique category and 2nd place in Body Building.

Crossfield staff and regional partners participate in mock disaster exercise

The Crossfield Fire Department, RCMP, Rocky View County and the Emergency Management Team made up of staff from the Town of Crossfield partnered together May 8 for a regional exercise to practice procedures in the event of an emergency.

Ten office staff along with a number of members of the Crossfield Fire Department spent the day receiving information from a contracted emergency management company in order to put training practices into realtime use.

The practice included opening an emergency reception center at the Balzac hall where Canada Red Cross worked with staff to receive displaced residents. These 'residents' were students from WG Murdoch school's leadership class and were given roles to imitate probable issues.

In the latter portion of the day, regional partners met at Rocky View County's office for a mock media scrum and debrief.

These exercises will be held regularly every 4 years.

Spring clean up complete

With help from the students and staff of Crossfield schools, Town parks staff have completed their spring clean up.

Regular garbage picking will continue throughout the season. In addition, garbage receptacles are placed throughout town and maintained frequently to ensure the public has access to utilize them when out and about in the community.

To further beautify Crossfield, flower beds throughout the parks and main street's hanging pots will be complete in the coming weeks.

As always, we encourage our residents to make us aware of any concerns or issues spotted throughout town by reaching out to us at (403) 946-5565 or town@crossfieldalberta.com.

2025 Property Tax & Assessment Information

Important Dates

Notices sent: May 7, 2025

Notice of assessment date: May 15, 2025

Assessment complaint deadline: July 14, 2025

Taxes due: June 30, 2025 by 4:30 pm

Late payment penalty applied to current taxes (12%):
July 2, 2025

Penalty (12%) applied to entire outstanding balance:
January 2, 2026

Each year in May, the Town of Crossfield sends tax notices to Crossfield property owners. This notice includes your municipal property tax levy as well as levies the Town collects on behalf of other organizations for education and seniors' affordable housing.

HOW ARE PROPERTY TAXES CALCULATED?

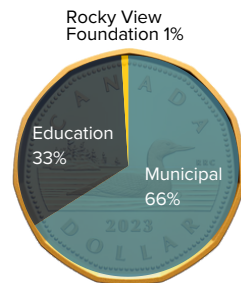

The amount of property tax you pay is based on the assessed value of your property. Assessment values are based on the provincially legislated valuation date of July 1, 2024, and the physical condition of a property as of December 31, 2024. The assessed value of your home can vary widely from today's market value. For more information on market vs assessed value visit the Town of Crossfield website listed above.

WHERE DO YOUR TAX DOLLARS GO?

MUNICIPAL PORTION OF PROPERTY TAXES

The municipal portion of your property taxes is based on the Town's budgeted revenue requirements and funds all the services we offer, such as roads, recreation and parks, protective services and much more! The Town's 2025 operating budget was approved by Town Council in the spring of 2025.

The amount owed per taxpayer is determined based on the property assessment value calculated and set by a provincially accredited independent assessor.

WE'RE HERE TO HELP

WE UNDERSTAND THAT PROPERTY TAX PAYMENTS CAN HAVE A FINANCIAL IMPACT ON RESIDENTS. IF YOU FIND YOURSELF IN A SITUATION WHERE YOU DON'T KNOW HOW YOU ARE GOING TO PAY YOUR TAXES, PLEASE CONTACT US AT 403-946-5565 TO TALK ABOUT WHAT OPTIONS ARE AVAILABLE.

NON-MUNICIPAL PORTION OF PROPERTY TAXES

Your tax bill also includes levies the Town collects on behalf of others for education and senior living. The Town does not set the amount of these levies.

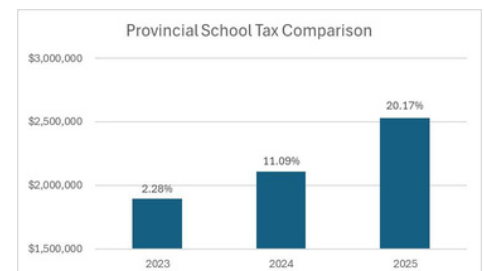

Rocky View Foundation:

This levy helps to provide affordable housing options to independent seniors living in the Rocky View County region.

Provincial Education Tax:

All Alberta municipalities collect an equitable share of the Education Tax in proportion to their total taxable property assessments. In Crossfield this amount has grown to 20% for 2025.

As the education system benefits everyone, people without children in school also pay it.

2025 Property Tax and Assessment Information

PROPERTY ASSESSMENT COMPLAINTS

As a taxpayer you have comprehensive rights to information and due process. An assessed person is entitled to see or receive sufficient information about their property in accordance with the Municipal Government Act section 299, or a summary of an assessment in accordance with Section 300, or both.

If you are the assessed person and would like more information regarding your assessment, please contact our office at 403-946-5565 or email receivables@crossfieldalberta.com. An assessor can review your assessment and provide an explanation specific to your property.

If you have spoken with an assessor and still feel that your property assessment is incorrect, you may file a complaint with the Municipality. Complaints can only be filed against the assessed value of the property, not against the taxes or tax rates. The deadline to file a complaint is Monday, July 14, 2025.

To have a complaint heard by an Assessment Review Board you must complete an assessment complaint form and submit it to the Town office (Attn: Assessment Review Board Clerk) prior to the deadline with the applicable fee. Complaint forms are available on the Alberta Municipal Affairs website.
